Introducing - - -

The Mountaineer

JUST AS youth is synonymous with fun and books, so the word "mountaineers" is synonymous with the students of Berlin Brothersvalley Joint High School.

The name "mountaineer" has been associated with our school for many years. A backward glance shows that the yearbooks were published under this name beginning in 1931. For more than twenty years the BBJHS athletes have been called "mountaineers." This is the name by which our school newspaper is known. The word appears on the official school emblem and it has been used in the design of the new class ring. And so the "mountaineer" concept ranks high among the many traditions of our school with which we have grown up.

We have created here an elfin Mountaineer—symbolic of the spirit of our school life—to guide you through the pages of the twentieth **Bervalon**.

THIS CUTE little fellow is the Mountaineer. He's the theme of the Bervalon this year. He's been with us our school life through, And now we introduce him to you. He's a gay little guy, always cheerful and charming, Though some of his antics might prove quite alarming. He might be mischievous, but really not bad. To all of us he's a wonderful lad. He stands for our school life—the work and the play, Recorded in our yearbook—each precious day.

Editor's Message

IN THIS twentieth volume of our yearbook, the **Bervalon**, we have tried to record the happenings of this year in a way pleasing to all of us.

It has taken long hours of planning and hard work to obtain the material for this book, but the members of the staff and our advisers have worked faithfully for many months to complete this twentieth edition.

In 1938, just twenty years ago, some of the earlier "mountaineers" published the first edition of the **Bervalon**. This was the first class to be graduated from the new Berlin Brothersvalley Joint High School. The school chose the name, **Bervalon**, which was inspired by the jointure of Berlin and Brothersvalley townships, to become the traditional name of our annual.

It is with our twentieth anniversary year in mind that we present our **Bervalon**. We sincerely hope that it will be considered a cherished possession in the years to come.

"Some part of life becomes oblivion, something whose roots lie deep within the heart of simple folk is lost, as, one by one, these pioneers of other days depart."

But time goes on and changes come to pass. Our schools keep surging forward and we strive to meet our goals. Let us have faith that our nation, our churches, our schools shall continue free till time shall be no more.

We Dedicate —

The Twentieth Bervalon To

Mrs. Evelyn R. Baltzer

THERE ARE times when words seem inadequate, when our thoughts lie almost too deep for utterance. The twentieth **Bervalon** staff is privileged to dedicate their book to Mrs. Evelyn R. Baltzer. As a teacher, counselor, and friend, we shall always remember her efforts to help us further our education. Mrs. Baltzer has unselfishly given her time and effort in helping our twentieth **Bervalon** staff to publish this book. She teaches English, Latin, French, and Journalism. She also enjoys swimming, gardening, and the richness of good literature. Although she has many activities, she always seems to have time to entertain her two small boys. We sincerely appreciate her faithful service and assure her that she will not be forgotten by those of us who are fortunate enough to have known her. With real affection, and best wishes for the future, we, the staff of the 1958 **Bervalon**, dedicate this book to Mrs. Baltzer.

“OUR PARAMOUNT concern is not only to maintain the best traditions of Berlin Brothersvalley High School, but also to march forward in a changing world where each year brings new problems. In doing so, let us retain our sturdiness, our simplicity, our dignity, our honesty, and our respect to God in heaven. May we avoid smugness and complacency. With these thoughts in mind, may we be able, ten years hence, to write the story of twenty successive years in which we have improved ourselves.”

The words you have read were part of my message to the students in the *Bervalon* of 1948. Ten years have passed since then. To me much of what we aimed for could be our goal today, for we still always wish to have dignity and simplicity, honesty and respect. Certainly we will continue to avoid smugness and complacency.

Have we improved ourselves over these ten years? As individuals each of us must ask himself that question and answer it. Certainly others have their opinion.

As an institution, have we improved? We think so. In these ten years membership in our jointure has increased. New courses have been added to the curriculum and additional personnel to our staff. A new grade school is in the bright picture of the future.

In the last analysis, however, improvement comes to each of us only to the extent that we utilize our teachers and the surroundings in which we work to secure the education which is ours for the asking and the application necessary to mastering it.

May we, ten years hence, have no regrets as we look back and evaluate our rate of progress.

JAMES M. CASSEL
Supervising Principal

Principals

The Faculty of the Grade School joins me in congratulating the **Bervalon** Staff on this twentieth anniversary of the publication of the **Bervalon**.

It has been a privilege for me to be associated with the Senior Class of 1958, since you began your travel on the road of education twelve years ago. May you, as graduates of 1958, cherish the memory of your school days in the Grade School as well as in the High School.

It is my sincere hope that each student has advanced in knowledge in proportion to the progress of the world. The "Satellite Age" offers you a challenge to do great things in this world of ours. May you accept this challenge and go forward, keeping step with the signs of the times. Remember the words of Longfellow in "A Psalm of Life", as he said: "Let us, then, be up and doing, With a heart for any fate; Still achieving, still pursuing, Learn to labor and to wait."

GEORGE S. DIVELY
Grade School Principal

Once upon a time there was a hardy pioneer named "Mountaineer" who built a sturdy home high on one of the rich roof-gardens of the world. He then took unto himself a most beautiful and cultured bride whose name was "Education".

As time went on, their family came to include healthy children who worked zealously to become versatile students of the arts and sciences, and robust champions of the arena.

Over the years, the "Mountaineer" family grew until they were many hundreds in number.

Just twenty years ago, the "Mountaineers" began recording their family records in well-prepared volumes, across the covers of which are emblazoned the letters B-E-R-V-A-L-O-N.

Our heartiest congratulations to the "Mountaineers" on the twentieth birthday of their family album.

Board of Education

Twenty years ago our Board of Education was made up of members from two districts, Berlin Borough and Brothersvalley Township. Later we became a four-district jointure, with the addition of Allegheny and Northampton Townships. This year the New Baltimore district became a part of the jointure, giving our school a twenty-five member Board of Education.

We express here our appreciation to these men and women for their constant interest in us and our well-being.

We also express our appreciation to the secretaries whose faithful service keeps our office an efficient and helpful part of our school life.

Grade School Faculty

We, the class of 1958, wish to express our gratitude to the grade school teachers who started us on our way to knowledge.

In the grade school they taught us the fundamentals of reading and writing. Throughout the years we participated in many activities. One of these was the annual operetta. In the spring we were very busy practicing for the May Day program. The fourth and fifth grades assembled together the last period of each day for chorus rehearsal. Then, in the spring, the chorus attended the annual county music festival. Each year we were invited to attend the junior and senior play matinees.

As we pause now to look back over the former years, we realize how much we owe these teachers, and we know we shall never forget them.

The Senior Class

In 1954 when we finally entered the freshman class we officially became "mountaineers." As freshmen we chose Ray Boyer as our class president. The other officers were: vice-president, James Meyers; secretary, Susan Speicher; and treasurer, Larry Shober. This year for the first time we were represented in the May Queen's Court. Our representatives were Helen Monahan, Sara Croner, Robert Croner, and Ray Boyer.

Time passed quickly and soon we were sophomores. Karl Imgrund became our president this year. The other officers were: vice-president, James Raupach; secretary, Jean Leydig; and treasurer, Sara Croner. As in our freshman year, we had a Round and Square Dance for our class party. Sara Croner represented our class in State Orchestra and Betty Foust represented us on the varsity cheering squad and also won the title "Miss Basketball Sweetheart." Also this year we ordered our class rings. Our May Day Attendants were Betty Foust, Beverly Poorbaugh, John Hepler, and James Meyers.

In our junior year Nathan Ward was our president. Larry Shober was vice-president, Eileen Labute was secretary, and Shirley Long was treasurer. This year we received our class rings, presented our class play, "Gabriel, Blow Your Horn," and attended the Junior-Senior Prom, which we helped finance with money raised from our magazine sale. Our sponsors, Mrs. Vera Shultz, Mr. Paul Urbain, and Mr. John R. Esch, worked hard to make our junior year a success. This year Sandra Holland, Shirley Krause, and Donna Hay joined Betty Foust on the cheering squad. Also in our junior year Emma Jean Walker represented us in District Chorus. In the May Queen's Court, we were represented by Mary Alyce Crowe, Deanna Donner, Larry Shober, and James Raupach.

In our senior year Larry Shober was elected president. He was assisted by Nathan Ward, vice-president; Susan Speicher, secretary; and Karl Imgrund, treasurer. As seniors we were very busy, and our sponsors, Mrs. Evelyn R. Baltzer, Mrs. Betty Menhorn, Mr. Ward Lehman, and Mr. R. Wayne Suder, helped in many challenges we faced as seniors. In November we presented our class play "Harvey." In December, Miss Eileen LaBute became Maple Princess and represented us in the Maple Queen Contest in Johnstown. There she won the high honor of being named Pennsylvania's Queen Maple XI.

Now we are caught up in the whirl of graduation activities—the Prom, examinations, class night, Baccalaureate—and finally—Commencement. We are soon to leave our status as "Mountaineers." This, then, is our past. What will our futures unfold?

The Junior Class

The Junior Class became "mountaineers" officially when they entered the halls of Berlin Brothersvalley Joint High School as freshmen in the fall of 1955. They held their election of officers and Darriel Gregory was elected president. He was assisted by Dale Leydig, the vice president, Kay Sarver, secretary, and Donna Schrock, treasurer. Their freshman sponsors were Miss M. Geneva Altfather and Mr. Garner Pritz. For their first class party they had a Square Dance. In the spring of this year they chose Beverley Deaner, Mary Leister, Dale Leydig, and Donald May to represent them in the May Queen's Court.

They entered their sophomore year with enthusiasm and excitement. They began their second year as mountaineers with the election of officers. They elected Dale Leydig president, Kay Sarver vice president, Barbara Glessner secretary, and Mary Leister treasurer. Along with their officers, the sponsors, Mrs. Evelyn R. Baltzer and Mr. Harold Bush, worked hard to make their sophomore year a pleasant one. As their sophomore year came to a close they again were represented in the May Queen's Court—this time by Marlene Speicher, Carol Landis, Jim May, and Stanley Smith.

Last fall they entered the halls of BBJHS with much eagerness. They elected Jim May to the presidency. He was assisted by Bernard Hankinson, the vice president, Donna Schrock, the secretary, and Ruth Stuck, the treasurer. They were enthusiastic about receiving their class rings. On November 11, they held a Record Hop for their junior class party. The class and their sponsors, Miss Norma Joiner, Mr. John R. Esch, Mr. Thomas Gerber, and Mr. William Schaefer, were very busy when they conducted a magazine sale to raise funds to help finance the annual Junior-Senior Prom. As they leave their junior year they look forward to the coming year which will be their last as BBJHS mountaineers.

The Sophomore Class

When the sophomore class officially became "mountaineers" as they entered their freshman year in 1956, they first held the election of officers. They elected Richard Poorbaugh to the office of president. He was assisted by vice-president Ralph Blubaugh; secretary, Emma Suttmiller, and treasurer, June Krause. This was the first year they held a school-sponsored class party. They chose to have a round and Square Dance, which was held in the school gymnasium. Students and sponsors alike spent an enjoyable evening and looked forward to their next class party. They were honored in January when Nancy Hummel won the second annual Basketball Sweetheart Contest, which was sponsored by Chico. As you can see, the students as well as the class sponsors had a very busy year. Also in their freshman year, they enjoyed the movie, "Treasure Island," which they saw in January. In May they had the honor of being represented by attendants in the May Queen's Court. As school closed, they were looking forward to their sophomore year as they left their freshman classes and class sponsors behind.

On August 26, they entered their second year as "mountaineers." They were off to a good start when they held the election of officers and Richard Poorbaugh received a second term in the office of president. He was assisted by Harry Fisher, who held the office of vice president; Helen Miller, the secretary; and Nancy Hummel, the treasurer. In November the sophomores held their class party in the form of a rollicking Record Hop.

As their sophomore year comes to a close they have bright hopes for the future.

The Freshman Class

As this, the twentieth Bervalon was being set up, the freshman class was becoming adjusted to the fact that they were now officially "mountaineers." As a body of ninety students, they entered their first year of high school very enthusiastically. They started the year on its way with the election of class officers. They elected Larry Schrock to the office of president. He was assisted by Dean Gindlesperger, who held the office of vice president, and the secretary-treasurer was Dolores Landis.

On October 14, they enjoyed their first class party which, by their own choosing, was a Record Hop. All the students and the class sponsors who attended the party spent an enjoyable evening.

The freshman class was represented in the band as well as in orchestra and mixed chorus. Some of the freshman boys represented their class by participating in football and basketball. The freshmen were also active in other extra-curricular activities offered by the school.

As this, the twentieth Bervalon, was advancing on its way to completion, the freshman class was also advancing toward the end of their first year as mountaineers. In the spring they met to choose May Day attendants and escorts to represent them in the May Queen's Court. This was the first time they had this honor and they were very excited. They also participated in other May Day activities.

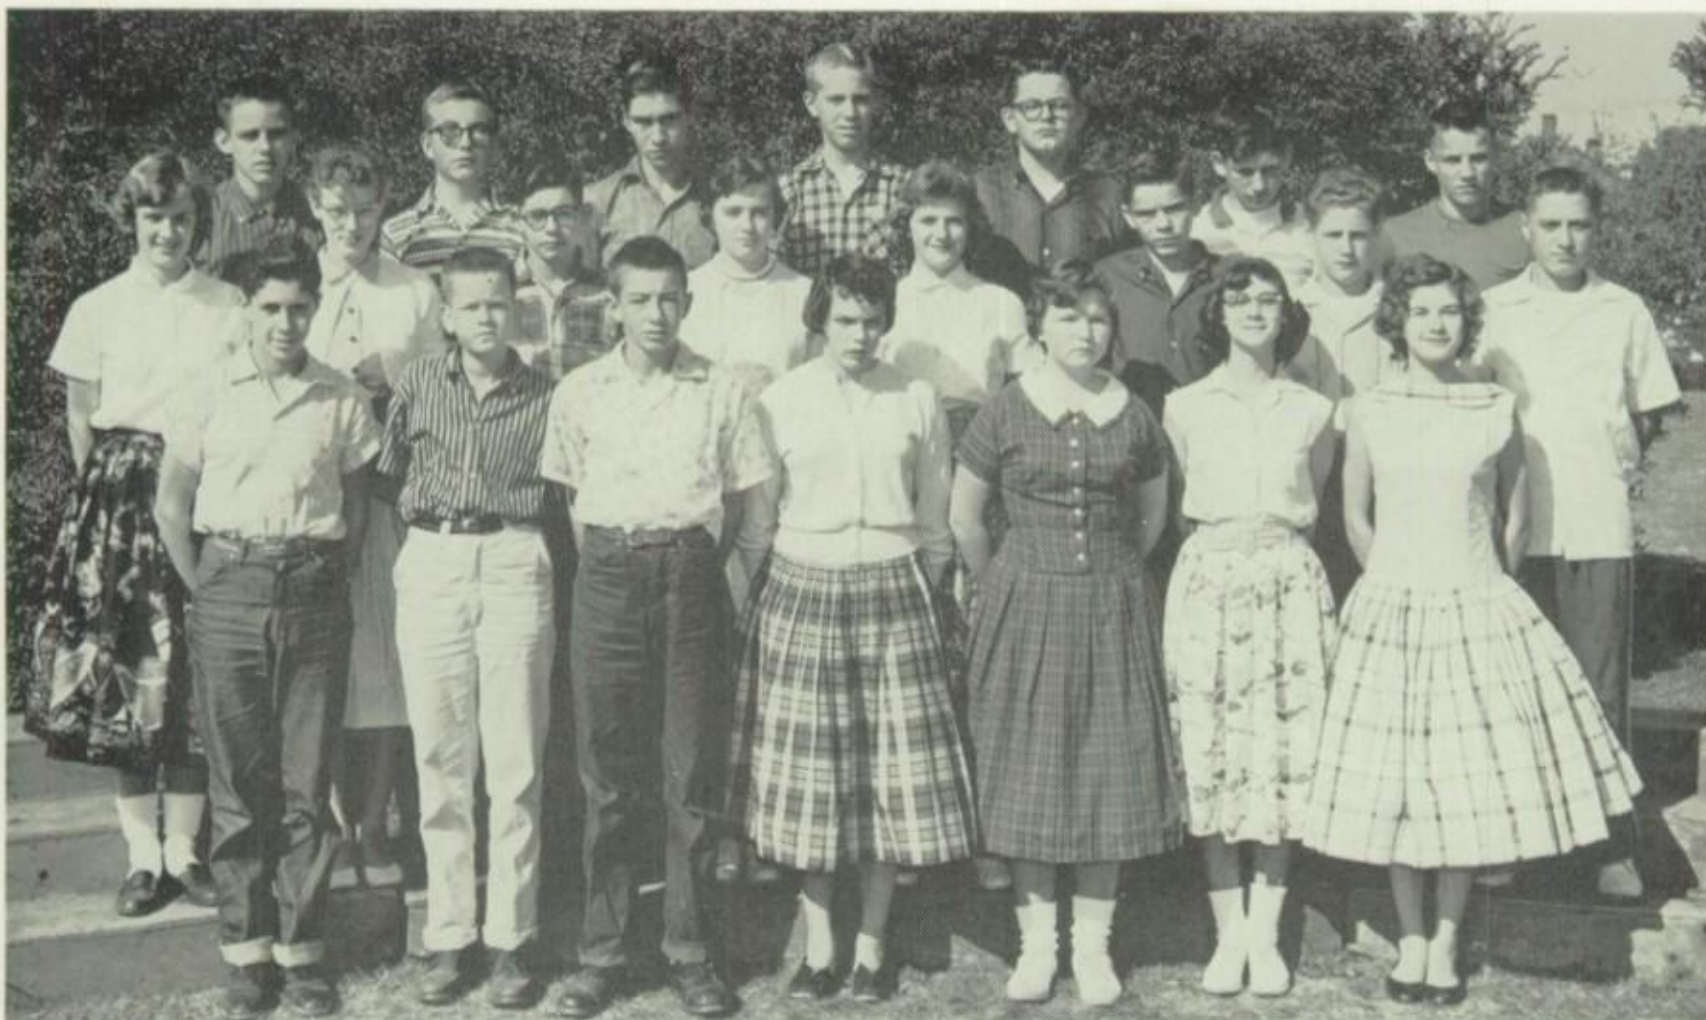

They had a very busy year as "mountaineers" and they kept their class sponsors, Mr. Garner Pritz, Mrs. Vera Shultz, Mr. Harold Hunter, and Mr. Elmer Cone, very busy.

As they leave their freshman year, they will look forward to the coming fall when they will be one step higher and can look back to the freshman class which follows them.

Instrumental Music

Mr. William Schaefer is the able director of our band, orchestra, dance band, and all instrumental music. The dignity and prestige of our blue and white marching band, which includes approximately seventy members, was maintained this year. During the summer and fall the band was very active making appearances in parades and displaying their marching ability at half-time during football games. Several members were honored by being chosen to participate in the All-County and District Bands.

The orchestra, composed of forty talented musicians, played for operettas and the Junior and Senior Class Plays, as well as for the All-County Program and the annual Spring Concert.

Officers for both band and orchestra are: president, George Leasure; vice-president, Don Kochever; secretary-treasurer, Mary Alyce Crowe.

The dance band is a newly organized group which made great progress playing for assemblies and a few dances and special events. With Mr. Schaefer's experience and "know-how" he gave the members of this organization, as well as other instrumental students, a good foundation in music.

Vocal Music

The Vocal Music Department in our school is under the direction of Miss Betty Hay. This department includes the music classes in grades six through nine, the Mixed Chorus, and Girls' Ensemble.

In the Junior High School the students are taught the basic fundamentals of music and learn to appreciate music of all kinds. These people present the annual Junior High Operetta.

The Mixed Chorus is composed of boys and girls in grades nine to twelve. It rehearses several times each week in preparation for singing at the All-County Music Festival and also for special events in our school. Several outstanding participants are selected to go to the All-County and District Chorus.

The Girls' Ensemble is made up of nine senior girls who sing popular and classical music. They sing for special assemblies and also for various organizations outside of school.

"Gabriel, Blow Your Horn"

In our junior year we presented the delightful comedy and love story, "Gabriel, Blow Your Horn." The scene of the action took place in the hills of North Carolina. - Featured in the production were Shirley Long and Nathan Ward as the two young lovers and Ronald Beachley as the old mountaineer, "Gabe." The play was directed by Mrs. Evelyn R. Baltzer, and was exceptionally well received by the audience.

"Harvey"

For the dramatic presentation of our senior year we produced the popular comedy and Broadway hit, "Harvey." Playing the lead role was Larry Shober as Elwood P. Dowd, who was always accompanied by an invisible white pooka (rabbit) named Harvey. Much of the play took place in Dr. Chumley's sanitarium where Elwood had been taken to get rid of the white rabbit. As the play progressed it seemed almost to the audience as if there actually were a pooka following Dowd around. The play was directed by Mr. John R. Esch and Miss Patricia A. Schad.

MOUNTAINEERS

OUR FOOTBALL warriors were led this year by Mr. Harold Hunter, recent Pitt star at guard and co-captain of Pitt's 1956 Sugar Bowl team. He was assisted by another new faculty member and coach, Mr. Bernard McCracken, from Indiana State Teachers College, and Mr. Ellwood Varner, high school principal. Mr. Wilfred Smith is in charge of issuing equipment and overseeing in general all three of our athletic programs.

Much spirit and enthusiasm was generated by the many new students who turned out for the team. Although eleven seniors will be lost by graduation, the experience gained by underclassmen will be invaluable in the future and should raise BBJHS into its own as a football power. With the support of the students and cheerleaders and the presence of the Mountaineer marching band backing the team at the games, the school spirit seemed to rise each week. While bowing to some very powerful teams, the Mounties were always giving their best and the opposition at all times knew they had a bruising fight on their hands. We sincerely hope that football will continue to gain momentum at our school, and wish the best of luck to our coaches and our team.

Head Coach, Harold Hunter; Faculty Manager, Wilfred Smith; Assistant Coaches, Ellwood Varner and Bernard McCracken.

Basketball Team

This year's Mountaineer basketball team was one of the outstanding teams in the county, owning a 15-7 won and lost record and finishing third in the Somerset County "B" League. Perhaps the two best games played were the rousing victories over arch-rivals Somerset and Meyersdale played on their home courts. The scoring honors were spread rather evenly among the starting quintet with each member having his extra good nights.

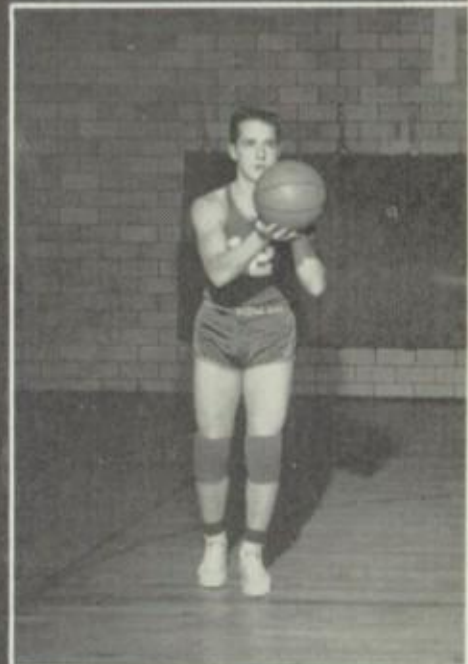

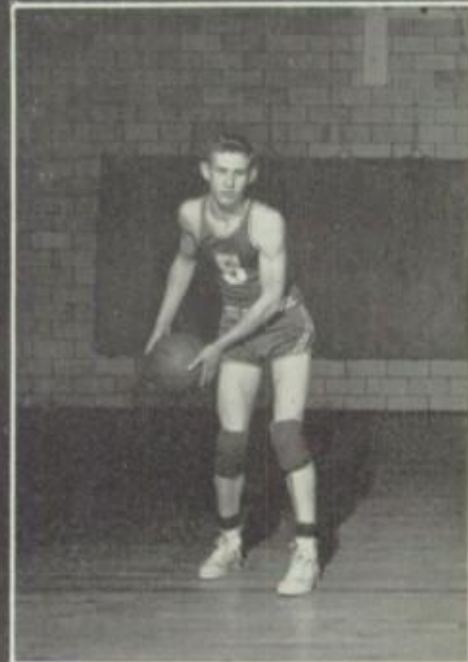

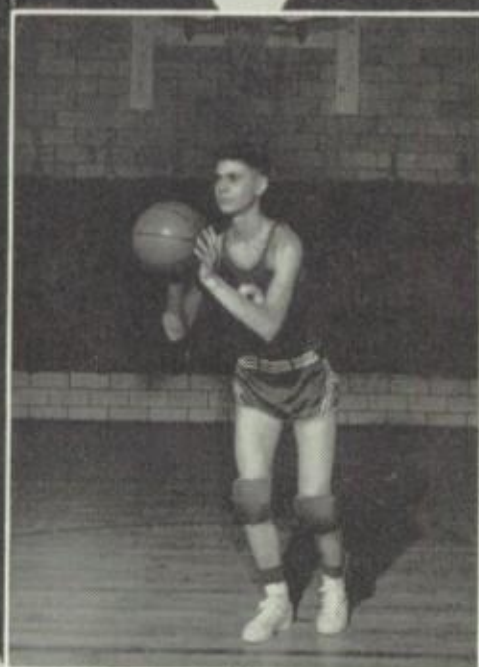

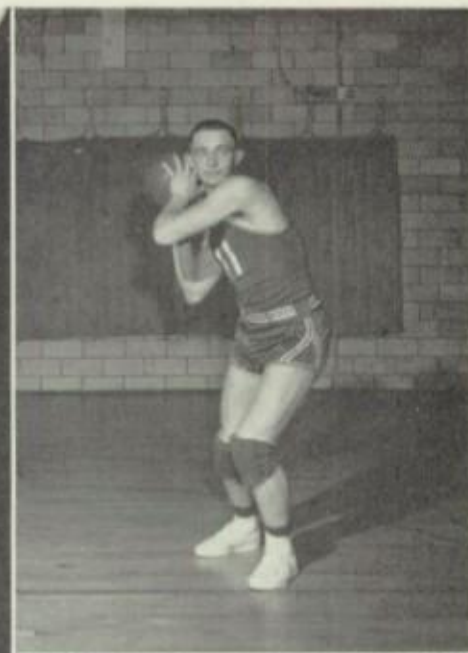

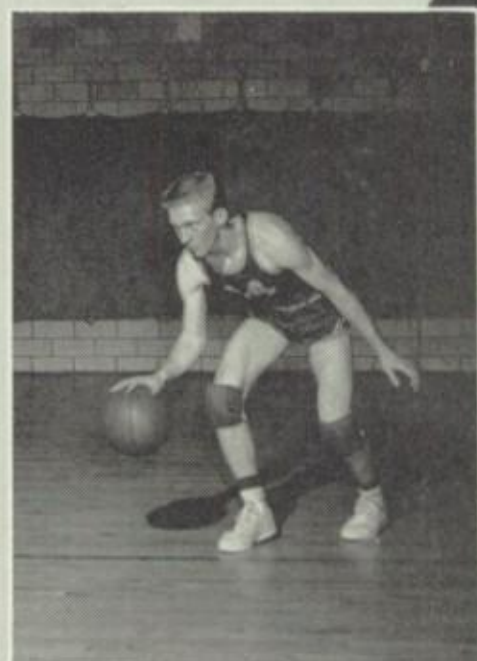

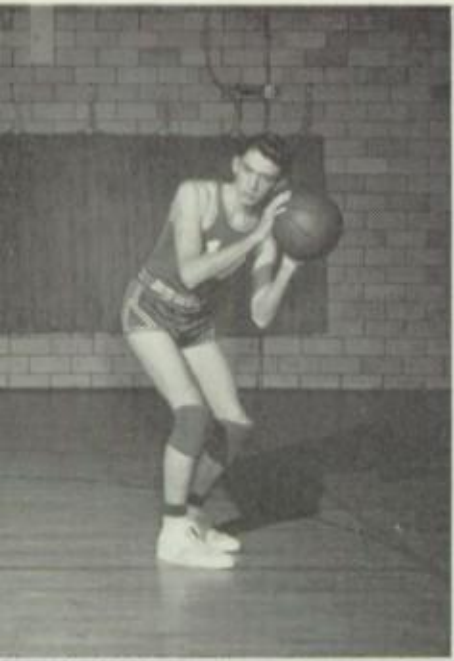

Through graduation the Mounties will lose three seniors, who will be greatly missed since they have been starters for the last two years. Experience gained this season by juniors and sophomores should prove a big asset to next year's team. Being blessed with a very able coach, Mr. John Lichvar, the Mountaineers always played a fine brand of ball and never quit trying until the final buzzer sounded.

We sincerely hope that BBJHS will continue as a much feared and highly respected school in the sport of basketball.

Mr. John Lichvar, Mr. Bernard McCracken, John Watkins, Ray Boyer.

J. V. Basketball

With a very outstanding season behind them the Junior Varsity basketball players look forward to next year with great hopes of making the varsity squad. The little Mountaineers' excellent twenty wins and two losses record was blemished only by Everett and Somerset, whom they defeated in the return games. Several members of this year's J. V. Team will definitely be in the running for starting berths on the varsity team next year. The basic fundamentals were taught these young basketball prospects by the well-organized instruction of Mr. Bernard McCracken. The fine coaching these boys received and their wonderful record give us a very optimistic outlook about the future of basketball at BBJHS.

F. F. A. Basketball

Playing in the South County F.F.A. League comprised of four teams—Meyersdale, Rockwood, Turkeyfoot, and Berlin—the Future Farmer cagers compiled a record of two wins and four defeats. The team was under the direction of Mr. Everett Nicklow, agricultural teacher. Emerson Dunmeyer and Donald Shipley acted as team captains. The top team in the League, which this year was Meyersdale, plays the leader of the North County F.F.A. League. Berlin finished in a tie for last place with Turkeyfoot. The winner of the intra-county clash will meet the winner of Fayette County. High scorer of the team was Emerson Dunmeyer with 69 points in six games for an average of 11.5 points per game.

Baseball Team

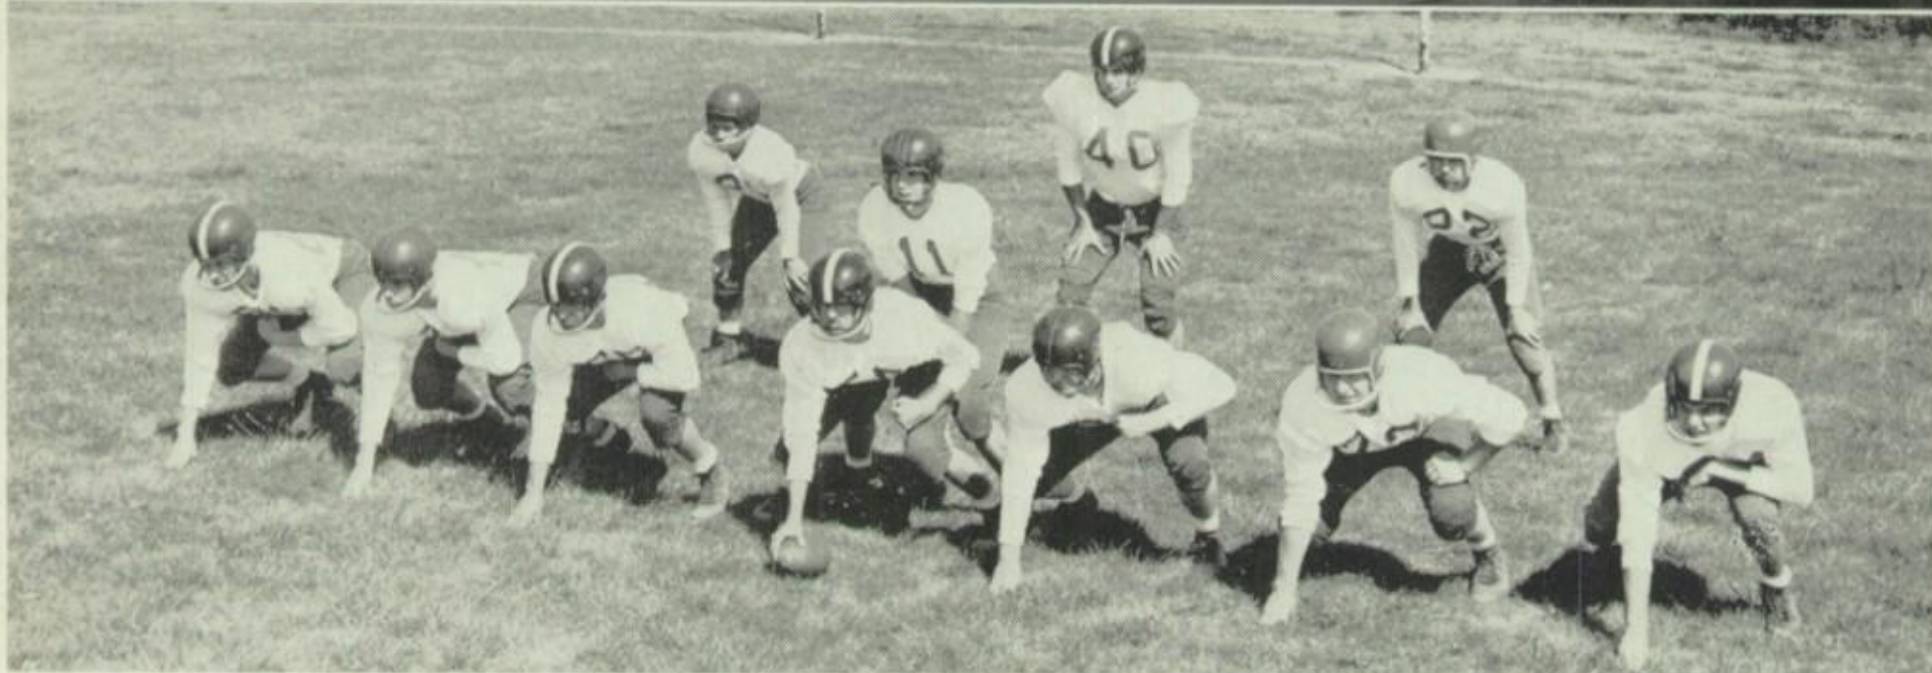

Our diamond nine is coached by Mr. John Lichvar. The team plays in the Somerset County Scholastic League in which nine teams participate. Only three players were lost from last year's squad which won three games while losing five. In March when the weather clears up the players begin to get in shape for the beginning of the season which is in early April. Several practice games are played with other teams in the league before the season gets under way. Baseball has come a long way since it was introduced in our school four years ago, and we give our best wishes to our coach and players for continued success in the future.

Sports Club

The Sports Club is under the direction of Coach John Lichvar and consists of boys in grades seven and eight. These boys, who desire to become future athletes, learn sportsmanship and how to work together as a team by playing different sports during the season in which they are popular. In this way, they learn more about the rules and the methods by which the games are played. They also learn how important it is to have co-operation and team work in order to make a winning team.

Varsity B Club

Varsity B consists of boys from grades nine through twelve who participate in football, basketball, and baseball. The "B" is a symbol of our high school. Under the direction of Coach John Lichvar, the boys learn the rules of the sports, and players learn where improvements can be made.

At our Awards Day assembly, the Varsity B club presents a trophy to the outstanding athlete of the year. In order to qualify for this trophy, a boy must excel not only in sports, but also in scholarship. The boy receiving this trophy is selected by the members of the club.

John Hepler serves as president of the club and Ronald Leister as secretary-treasurer.

Athletic Club

The Athletic Club is one of the several new clubs formed this year and is under the direction of Coach Harold Hunter. The main purposes of this club are to make for a better understanding of sports and develop sportsmanship, athletic ability, and a competitive spirit. In order to reach these goals, the club members are divided into teams and play games of football, basketball, and baseball, depending on the season. They also have games with other clubs in the school.

The president of the club is Larry Miller; vice-president, Larry Schrock; secretary, James Smith; treasurer, Richard Merrill.

Rifle Club

Consisting of grades ten through twelve, the Rifle Club is under the direction of Mr. R. Wayne Suder. The club members assemble on the rifle range every Friday to practice target shooting.

The club is affiliated with the National Rifle Association. The members are scored, and awards are given when the requirements are met.

The Rifle Club has sixteen members. Its main purpose is to teach the boys the correct way to handle guns. Stanton Landis heads the club as president. The other officers are: vice-president, Elmer Ohler; secretary, Dale Mowry; treasurer, Robert Smith.

Archery Club

This club is comprised of grades seven through nine. The members practice target shooting on the baseball field. During the winter months the boys have a target range set up in the high school.

Through this organization they learn to be better bowmen—improving their skill in this ancient and challenging art. Mr. Thomas Gerber is the faculty adviser of the club.

The club officers are: president, Robert Harr; vice-president, Robert Suder; secretary, Glenn Pletcher; treasurer, Roy Fritz.

Sewing Club

In their first year of organization, these fifteen girls are advised by Mrs. Betty Menhorn. Their main purpose is to learn the fundamentals of sewing. The girls made garments of their own choice. In addition to sewing, the girls had one social meeting each month, with a different officer in charge at each meeting. Their officers are: president, Nancy Leister; vice-president, Margery Imgrund; secretary, Carla Miller; treasurer, Ruth Hay.

Table Tennis Club

An active club organized this year is the Table Tennis Club, sponsored by Mr. William Telek. This club acquaints boys and girls with the game of ping pong. This not only adds to the sports life of these twenty-five junior high students, but to their social life as well. The officers are Delores Landis, president; Rachael Hittie, vice-president; Leanne Shober, secretary; Margaret Hankinson, treasurer.

Projectionist Club

The eighteen boys of this club learn the operation of the movie projector, spotlight, and microphone. Under the direction of Mr. Harry Speicher, who has sponsored this club for the past twelve years, they operate the projector for school movies and for educational classroom films.

At the end of each year the club members take a trip to Johnstown for a banquet.

They learn how to create typed pictures and also how to make borders for title pages. Because the club is so small, no officers were elected.

Library Club

The Library Club members, under the direction of Mrs. Betty Boyer, are very helpful in keeping our library neat and orderly. During club meetings the members are informed of different duties of a librarian. In addition, they mend old and torn books. When several old books accumulate, a book sale is held. The proceeds, plus fines collected for over-due books, go for new books to be placed in the library. The officers are as follows: president, Dorma Shonko; secretary-treasurer, Dorothy Ann Will.

Dramatics Club

Dramatics Club, under the supervision of Mr. John R. Esch, is a new organization this year. Each week there is a business meeting, followed by a program. The members are learning about the fundamentals of the theater, and are doing some acting, too. Miss Eileen LaBute

Queen Maple XI

WE WERE proud when, on February 5, amid the cheers and applause of thousands, Miss Eileen Labute was named Pennsylvania's Queen Maple XI. Eileen—petite, pretty, talented—captured the audience with her dramatic reading, an adaptation of "The Old Woman and the Clock" by Helen Wiltsie. She, along with the ten other contestants representing as many high schools, was judged also on the basis of personality, beauty, poise, intellect, and general appearance. Miss LaBute is the second BBJHS girl to become Maple Queen. Miss Florabella Walker, a graduate of 1954, was Queen Maple VII.

Eileen will be remembered here for her scholastic ability, her charm, her talent in art and dramatics, as well as for the honor she brought to herself and to her school in winning the coveted Maple Queen title.

Queen Eileen reigned over the Somerset County Maple Festival in Meyersdale in March. She was coached and guided for the contest and festival by Mrs. Betty Menhorn, Miss Norma Joiner, Mr. Ward Lehman, and Mr. Harold Bush, faculty committee for the Maple Queen Contest.

We congratulate you, Queen Maple XI, and we wish for you the greatest happiness and success throughout your life.

LAST YEAR we held our annual May Day Festival on May 8, 1957. Miss Dolly Webb, very lovely in her gown of white, reigned as Queen of the May, with Paul Kendall, senior class president, as her escort.

The theme for this festivity was "The Magic Carpet." Students from both the high school and grade school helped to portray this gala event. Each grade performed a different dance to illustrate the many different types of dances all over the world.

The May Day program was under the direction of a faculty committee composed of Miss Norma Joiner, Miss Betty Hay, Mr. John Lichvar, Miss M. Geneva Altfather, Miss Thelma Saylor, and Mr. William Schaefer. With the help of a beautiful, sunny day, there were many students, parents, and friends present for this traditional celebration.

May Queen

Miss Dolly Webb

To Our Patrons

On behalf of the 1958 **Bervalon** Staff we wish to express our deepest appreciation to the many friends and neighbors of our school who have so willingly patronized our twentieth yearbook. We shall always remember our patrons, whose interest and financial support have made this twentieth **Bervalon** an actuality.

With these inadequate words we endeavor to say a very real and heartfelt "thank you."

Honor Students

Miss Helen Glessner

THE NATIONAL Honor Society is one of the new activities introduced in our school this year. This organization is made up of eleventh and twelfth grade students maintaining at least a B average. The officers of this organization are: president—Nathan Ward, vice president—Shirley Long, secretary—Marlene Speicher, treasurer—Eileen LaBute. Mrs. Mabel Hay is the faculty adviser. The meetings are held on the first Monday of each month. The object of our chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students.

Appropriately, on this page—we wish to honor the highest scholastic students of the Class of 1957, Betty Meyers and Helen Glessner. Betty is now attending college at Ashland, Ohio. Helen is in nurses' training at Conemaugh Valley Memorial Hospital in Johnstown. Their achievements and those of others who have attained this distinction will ever serve as a challenge to those of us who follow.

In Appreciation

With sincere gratitude, we, the Class of 1958, wish to express our appreciation for the wonderful guidance given to us by Mrs. Evelyn R. Baltzer, Mr. Ward M. Lehman, and Mr. John R. Esch.

Mrs. Baltzer advised the photography, the writing and the layout of our yearbook, while Mr. Lehman directed the business staff in the advertising, subscription, and circulation. Mr. Esch assisted on the editorial staff.

The members of the staff of the twentieth **Bervalon** thank them for their loyalty and inspiration, which has helped to make our twentieth **Bervalon** a reality.
